Thank you for bringing your client to Krest Homes and registering them in the Realtor Registration program. The Realtor Registration form must be completed and submitted upon your client's initial meeting with Krest Homes at our office or sales centre. If your client purchases a residential home within 90 days upon signing the contract, you will be protected and receive a commission as provided in the above agreement. The contract will be terminated 90 days from the date it was signed on. If you would like to renew the contract after this one has expired, you must complete and submit another form in writing. Krest Homes is only responsible for paying commissions to the above mentioned Realtor and/or Broker. In any event that the purchase agreement is terminated no commissions will be awarded. If the purchase agreement is terminated after commissions have been awarded, all commissions must be paid back to the Builder. By signing this form, all parties give consent to release of their name and contact information to Krest Homes for the purposed of registration and contact. All notices must be given in writing. Additional terms and conditions may apply.
